

## **CARRER OPPORTUNITIES**

**The Sindh Education Foundation is seeking professionals (both male and female) in the field of education and development for its operation across Sindh province for the following positions.**

### **ASSOCIATE, CORPORATE RELATIONS**

The incumbent must hold at least a Bachelors degree from a reputable educational institute and possess professional experience of at least 6-8 years preferably in the corporate sector. Exceptional oral and written communication skills, both in Urdu and English, are mandatory along with computer proficiency especially in MS Office. The incumbent will be required to develop and execute resource mobilization plans in the light of program development needs of SEF's core initiatives like Child Labor Education Program, Adopt-a-School Program etc.

---

### **PROJECT OFFICER (based in Sukkur)**

The incumbent, preferably a female, should be a graduate from a reputable institution with at least 2-3 years of professional experience in the education field preferably in adult education/women empowerment projects. Fluency in Sindhi and willingness to travel are necessary pre-requisites of this position.

**Please send your application along with your CV mentioning the post applying for addressing to Human Resources Manager at [info@sef.org.pk](mailto:info@sef.org.pk) latest by June 16, 2010.**
